# How to foster energy efficiency in the Alps: the renovation of public buildings as a lever

On the 22<sup>nd</sup> October 2019, representatives from local authorities, research & science, energy suppliers, enterprises, NGOs and society will discuss how the renovation of public buildings can support the achievement of the European energy efficiency objectives in the EUSALP.

Join the 3<sup>rd</sup> EUSALP Energy Conference and trigger the change: no energy transition without dialogue!

Stay tuned for further information!
